2020 LINE UP
ORBA 93rd ANNUAL CONVENTION

STAYING AHEAD OF THE CURVE

93rd ANNUAL ONTARIO ROAD BUILDERS’ ASSOCIATION CONVENTION & AGM

FAIRMONT ROYAL YORK - TORONTO
FEBRUARY 02-04, 2020
HIRE AHEAD OF THE CURVE

MODERATOR  Amma Wakefield
            Canadian Regional Engineer, Asphalt Institute

SPEAKER  Jon Callegher
            Executive Director, Job Talks

PANELISTS
Dan Currie  ORBA Scholarship Recipient
Nick Armstrong  Rankin Construction
Justin Ryan  R.W. Tomlinson Construction
Abigail Roberts  Aecon Construction and Materials Limited

Of the many challenges facing the construction industry, none are as critical as attracting young people to the road building industry. Today’s youth are motivated by different factors than previous generations. This youth panel will discuss what motivated them to join the industry. Jon Callegher, Executive Director of Job Talks will speak candidly about this issue from an industry and association perspective.

SESSION G: PAVING THE WAY TO SUCCESS WITH RECLAIMED ASPHALT PAVEMENT (RAP) – Best Practices for Using RAP and Managing RAP Piles

SPEAKERS  Jim Musselman
            Engineer, National Center for Asphalt Technology at Auburn University

Mark Eby
            Director of Infrastructure, County of Brant

Driving along any one of several major transportation corridors in Ontario, the landscape is often dotted with what appears to be foothills of RAP. Instead of being left to pile up in asphalt plant yards, RAP can be used as a premium product. This session will provide insight into the latest innovations in testing methods for RAP to go into mix designs, managing RAP piles, and will feature Ontario projects that have produced quality asphalt pavements using RAP.
ORBA ROAD BUILDING ACADEMY

ORBA ROAD BUILDING Academy 2020
THE 2020 PROGRAM WILL FEATURE 25 COURSES
FEB 24-28 2020

THE BMO INSTITUTE FOR LEARNING
